

A 20x20 grid of black squares. Numbers are placed at various intersections (row, column). The numbers are as follows:

	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
1	1																			1
2		2																		2
3		3																		3
4		4																		4
5			5																	5
6			6																	6
7			7				7													7
8				8				8												8
9					9				9											9
10					10				10											10
11						11				11										11
12						12				12										12
13						13				13										13
14							14				14									14
15								15				15								15
16									16				16							16
17									17				17							17
18									18				18							18
19									19				19							19
20									20				20							20

■■	Q1	Q2	Q3	Q4	■■
